PATIENCE PLANNER

You and your family can practice patience with this activity! Using the template below, make a calendar with your family, including any responsibilities/appointments you have as well as some fun, simple things that everyone can look forward to! *Some ideas might be: family game night, getting together with friends, or a hike at the nearest conservation area.* Talk with your family about what it's like to **patiently** wait for the things you're looking forward to this month!
